

## Camp Director

**Cody Hickle** – Cody grew up in a small farming community in Central Alberta. As with many others in his town, sports was a part of Cody's life from an early age as he developed a passion for sports in general but specifically basketball all through his junior high and high school years. Alongside basketball, Cody also enjoyed outdoor sports like hunting and fishing. These passions grew as he attended Millar College of the Bible and were evident to those who know him. Cody demonstrates a commitment to his training and his focus on doing his best. Cody, together with his wife, Emily and three kids, live in South West Saskatchewan. They are excited for the opportunity to use the knowledge and skills that have been developed over the past few years to inspire youth to pursue their dreams, whether it be through sport or enjoying the love of the outdoors in nature. Now working with Elevate Sports.

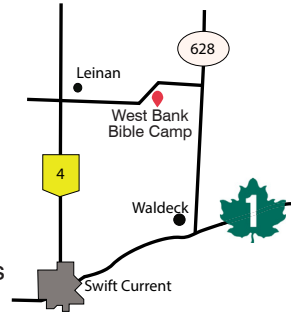

## Speaker

**Robert Rudd** – Robert and his wife Janette married in 2003 after meeting during their training in electrician and accounting fields. They faced serious marital struggles early on but met a missionary who introduced the Gospel to them in a new way using a chronological approach. This led to a proper understanding of the Gospel that saved their souls and marriage. God blessed them with four children: Justus, Lincoln, Samara, and Tatiana. Their zeal for spreading the certain hope of The Gospel grew, and they began filling their lives with outreach and Bible studies, volunteering their time and skills for missions. Eventually, they responded to the growing call to join missions full-time in 2012. Rob became the director of Impact Canada Ministries in 2022, which aims to reach Canadians with the Gospel and equip confident witnesses of Jesus Christ.

## Keynote Speaker

**Jim Hughes** – Jim is a Harvard graduate (BA, cum laude, school of architecture and urban studies). He also has an MA (urban planning) from the University of British Columbia and a Diploma of Theology from Ottawa Theological Hall. He has written extensively, including articles published in several technology journals, an historical romance novel (set in Spain during the early Reformation period), serialized a commentary on Genesis 1-11 on his congregation's web site, and has published in creation-science journals including CMI's Journal of Creation. He began his career as an urban planner in Sudbury. While working for municipal government in Sudbury, he migrated into IT. At one time he was responsible for business analysis and software development methods and tools for a major technology company. He has managed large, complex, systems integration and software development projects, and wrote a technology blog on his company's web site. He taught Statistics for the Behavioural Sciences at Tyndale University College for ten years. With two of his sons, he has done extensive home renovation projects and designed and built a high-end custom home for sale. He also served on the Board of the Pregnancy Care Centre in Toronto for over twenty-five years. He is currently a speaker with Creation Ministries International – Canada. Jim and his wife Lillian live in Scarborough, ON and have six children and 11 grandchildren.
